Please join us on July 18, 2012 at the beautiful PineRidge Golf & Country Club for our 24th Annual MMDA Charity Golf Tournament.

The MMDA golf committee has worked diligently over the past several months to rework our already successful charity golf tournament. Participants' suggestions have been incorporated to ensure we provide the best possible event. We are excited to introduce our **MILLION DOLLAR SHOOT OUT**, where every golfer has a chance to win **ONE MILLION DOLLARS** at the 2012 tournament. This will be an outstanding addition to the day's event and will prove to be a future crowd favourite.

In addition we will now offer:

- * **Team or group registration – play with whom you register, or individual registrants may group together to make a team.**
- * **8:00pm tournament end time - organizers have adjusted the event schedules to insure the tournament and auctions are completed by 8:00pm or earlier.**
- * **One in two chances to win a team prize, minimum \$200 value.**
- * **New and exciting, on-course hole events, including food, drinks and prizes.**

We hope to see all MMDA members participate this year as this is the ***ONE AND ONLY, New Car Dealers Industry charity event.*** Registration and sponsorship packages will be sent out in the near future.

In addition any MMDA members that would like to volunteer in any capacity from committee member to golf day volunteer, including MMDA dealer, associate staff or family member, should contact the MMDA at 985-4200.

Funds raised at this year's event will continue to support Special Olympics Manitoba.

Sincerely,
