

Dear Members,
Friends & Supporters,

As Convention Chairman, it is my pleasure to invite you to our upcoming June 9-11, 2011 event at the Canad Inns Polo Park.

We especially want to encourage the participation of past MMDA Presidents and Board Members as we celebrate our Executive Director **Shirley Canty's** upcoming retirement and her 29 years with MMDA.

For all the Regular Members, Associate Members and Friends of MMDA, this is your opportunity to show your support for the past and present Board Members and MMDA Staff, who have worked so hard on behalf of the Association.

These are exciting times and this platform provides a great place to meet and interact with all the wonderful people that are involved in the automotive industry.

Our theme fits perfectly with what this convention will portray. Please join us at the convention as we travel along the **PAST, PRESENT & FUTURE MMDA JOURNEY.**

Some of the Convention highlights will include:

- **Learn from Workshop Speakers Andrew Coyne, Jared Hamilton & Rick Spence**
- **Sharpen your golf skills**
- **Top notch entertainment**
- **Awesome non-golfer & non-workshop activities**
- **Excellent food & facilities**
- **Industry update**

On behalf of the MMDA Convention Committee and Board of Directors, I would urge you to review the enclosed Convention Package and register yourself, your spouse, your staff and co-workers for an outstanding event.

Sincerely,

A handwritten signature in cursive script that reads 'Neil Metcalfe'.

Neil Metcalfe
